- It allows the teachers to clearly see the body and movements of a dancer allowing for more precise and helpful corrections
- It helps to minimize distractions in the classroom.
- It helps make sure that no student dances in clothing/accessories that pose a safety risk to themselves or other students.

Fitted Sweaters, leggings, or warm up pants may be worn for warm ups during class.

Instructors may vary in what they will allow as "warm ups" – the instructors decision is final.

Dancers should not wear jewelry to class. (Stud earrings are allowed)

Dancers should have their hair pulled back securely from the face. Dancers with hair too short for a pony tail or bun should pin the sides back away from the face.
